CRITERIA FOR BEING A PFHA ACCEPTED REGISTRY

PFHA Rule Book, p.130, IV.A.c. Only a purebred Paso Fino horse will be accepted from an accepted registry. If the applicant horse, sire and/or dam are registered with an accepted registry, the modality of the applicant horse, sire and dam must be listed as "Paso Fino" on their certificates of registration utilized in lieu of a Stallion Breeding Report and Breeder's Certificate for registration purposes. If the accepted registry designates partial percentage blood as purebred Paso Fino, that registry will be excluded as an accepted registry.

ADDITIONAL CRITERIA:

1. Registry must have been an official Paso Fino registry for 3 years
2. Registry must have government-approved certification —
i.e. — tax id number, articles of incorporation, etc.
3. Registry must have Official Registry Rules as supplied to the PFHA in English
4. Registry must require genetic testing and parent verification of their registered horses from UC Davis or a DNA lab which is accepted by US Davis or a European lab acceptable to the PFHA
5. Registry must issue official certificates of registration
