The Paso Fino Horse Association Recreational Rider Programs

The popularity of the Paso Fino breed continues to grow among recreational riders both young and old. The amazing stamina of the Paso Fino, coupled with its extremely smooth ride is a significant factor in its choice for recreational riding. The Paso Fino is making its mark in recreational competition, proving to be a highly competitive horse in all types of recreational competitive venues.

Below is a brief description of the recreational rider programs offered by PFHA that are the REWARDS of riding the smoothest gaited horse. All participants of these programs must be current PFHA members and the horses must be registered PFHA Paso Fino horses with the exception of Pasos for Pleasure or Ticket to Ride, which allow other modality horses that hold a PFHA Certificate of Validation.

The complete rules governing the Pasos for Pleasure and Ticket to Ride Programs as well as the AERC and the NATRC Breed Awards are printed on the respective forms for each program. Rules governing the three pointed programs, Competitive Trail, Endurance Trail, and Pleasure Long Distance Trail are found in the PFHA Rule Book. The PFHA Rule Book is on the PFHA website or may be ordered from the PFHA office for a minimal fee.

**Pasos for Pleasure Program**
Rewards participating PFHA members for time spent riding registered Paso Fino horses or horses holding certificates of validation.
- Earn cumulative hour patches and gift awards.
- Non-pointed riding activities such as everyday trail rides, arena work, saddle training, parade and drill team venues, breed demonstrations, non-PFHA pointed open/all breed shows, etc. qualify.
- One time registration fee to join the program.
- Participants keep a log of time spent in the saddle then they submit their logs to the PFHA office annually postmarked no later than September 5th for accounting purposes and also when they reach a milestone.

**Ticket to Ride Program**
Prizes awarded in annual drawing of “tickets” submitted by PFHA members participating in this program.
- Qualifying activities include scheduled/organized PFHA pointed trail competitions, parades, drill teams, benefit events as well as other non-PFHA pointed show events.
- Five documented qualifying activities make up one complete Ticket to Ride.
- Participants send in completed tickets postmarked no later than September 5th of every year so the tickets may be entered into a drawing held at the PFHA Grand National Show.

**AERC Breed Award Program**
Yearly award presented to a participating PFHA member with the highest mileage as verified by the American Endurance Ride Conference (AERC).
- Qualifying AERC rides include competitions in Limited Distance and/or Distance Divisions.
- Any number of registered Paso Fino horses may be used by the rider while competing for this award.
NATRC Breed Award Program
Yearly award presented to a participating PFHA member with the most competitive trail points in rides sanctioned by the North American Trail Ride Conference (NATRC).
- The rider of the horse must be a PFHA and a NATRC member in good standing and the horse must be registered with PFHA and with NATRC at the time the points for the award are accrued and at the time the names are submitted to PFHA for the award.
- NATRC requires either a copy of the horse’s PFHA registration papers or a PFHA registration number.
- PFHA members do not need to apply to participate. The top five horses will automatically be submitted by NATRC to PFHA at the end of the NATRC year.

Competitive Trail Program
Yearly presentation of title with award presented to a participant’s horse with the most sanctioned points.
- Current PFHA members who participate in competitive trail rides on registered Paso Fino horses are eligible to apply for points for their horses for each successfully completed ride.
- Rides must be organized by organizations such as the North American Trail Ride Conference (NATRC) and must be sanctioned by PFHA.
- Appropriate completed form, fee and documentation must be mailed (postmarked) or faxed to PFHA within 20 days of the ride EXCEPT in the case where the ride(s) occurs less than 20 days before the end of the PFHA year (August 31). Paso Fino Sport Horse Program (PFSH)

The Paso Fino Sport Horse Program showcases some of the Paso Fino breed’s best ambassadors, and as a promotional tool, it can’t be beat. Most new Paso Fino owners discover the breed through friends and seeing Paso Finos compete at open events.

The Paso Fino Sport Horse (PFSH) rewards both Riders and Horses that excel in all-breed competitions outside of the traditional Paso Fino horse community. As a participant in PFSH, you and your horse will accumulate points based on how you place in competitions and be rewarded for all of your achievements and hard work.

- The horse must be registered with the Paso Fino Horse Association (PFHA) and Owner and Rider must be current members of PFHA for points to count.
- An application form must be submitted each year prior to competing. A yearly fee of $25 per horse must accompany the application. The show year will be the same as the PFHA show year September 1 – August 31.
- A Sport Horse Entry Form must be filled out for each event and be postmarked to the PFHA office within 20 days of the competition. A copy of the prize list or program from each Sanctioned or Non-Sanctioned show entered must be submitted with your PFSH entry. To ensure a level playing field for all participants, a show prize list should include: rules and class specifications, dates, times, names of judges/officials and show secretary name and contact information, fees (entry fees, late fees, stall fees, etc.) and prizes. Please attach each prize list to the entry sheet for that show.
- Shows may be Sanctioned or Non-Sanctioned (4-H and schooling shows are eligible), but shows and classes must be open to all breeds or all gaited breeds. Shows open only to or adjudicated by facility owners, family members, employees, boarders, or owners of horses in training at a single facility are not eligible for points.

Trail Horse Testing Program

The Paso Fino Horse Association is introducing the Trail Horse Test Program (THTP) which provides a way to demonstrate the horse’s ability to perform trail riding skills based upon a series of tests that gauges the horse’s natural ability and training against a standard of performance. This is not a competitive trail riding obstacle course, but a gauge of your horse’s abilities to complete the tasks normally preformed before, during and after a trail ride. Objectives:

1. Highlight the pleasure of a trained and responsive trail horse.
2. Set non-competitive goals for the horse in an effort to improve both horse and rider.
3. Provide a structured method to judge a trail horse.
4. Recognize the harmony between horse and rider where there is good communication between them.
5. Record the Trail Horse Level Achieved in the horse’s PFHA registry. Just as PFHA records the show points, PFHA will record if your horse achieves a Junior, a Senior or the most prestigious Master Level award.
6. The registry entries will aid individuals who are researching horses/bloodlines that may be well suited to the trail.
Pasos for Pleasure Program

The PFHA Pasos for Pleasure Program was designed to reward those PFHA members who use their registered Paso Fino Horses for pleasure riding or driving on non-pointed trail rides. The program is intended not only to provide the PFHA trail rider or driver with an opportunity to receive awards and recognition for participating in all breed rides, drives, parades, and other non-PFHA pointed show or trail activities, but also to provide exposure for and to exhibit the versatility of the Paso Fino Horse in general.

To participate, a rider or driver must maintain membership in PFHA and ride or drive only registered Paso Fino Horses. There is a one-time fee per person of $25. A form must be filled out and sent to the PFHA office along with the fee. The rider or driver must maintain a written log in fifteen (15) minute increments of the horses and hours actually spent riding or driving. Any riding or driving time may be logged as long as it is not time that will be utilized to obtain PFHA points. Therefore, time in the saddle or buggy actually showing in a PFHA pointed show class or when on Pleasure Long Distance Trail, Competitive Trail, or Endurance Trail rides or drives for which the competitor applies for PFHA points may NOT be logged and submitted for Pasos for Pleasure hours. As each successive level is reached in the program, the rider will send a copy of the log to PFHA, and PFHA will send a letter and patch with the current hour level on it and whatever award is allocated for that level. PFHA Office personnel will document the rider’s or driver’s name and total hours ridden or driven on the PFHA website under the "Members" tab/Pasos for Pleasure/Member #/Pin#/sign in.

The program ends at 5000 hours. Once a rider or driver achieves this milestone he/she may continue to send in logs with their hours on it and the hours will be placed on the website. However, no other recognition will be given after the 5000 hour level is reached.

An annual high hour award is also given. The PFHA Pasos for Pleasure year runs September 1 through August 31 of every year. All riders and drivers participating in the Pasos for Pleasure Program must have their previous PFHA year’s logs into PFHA postmarked or faxed no later than September 5th. The rider or driver with the most hours logged will receive an award and will be asked to submit an article to PFHA for publication in the trail issue of Paso Fino Horse World Magazine. The next nine (9) riders or drivers with the highest hours in descending order will be asked to write an article about their experiences obtaining their hours in the PFHW for recognition, but no award will be given. A rider or driver may only receive the high hour award once, even if he/she is highest in more than one year.

See the following pages for the Pasos for Pleasure Application form, the Pasos for Pleasure Log, and the hour benchmarks. Both the application form and the log can be accessed on the PFHA web site under "Infoseek" tab/Forms.

The Pasos for Pleasure program offered by the Paso Fino Horse Association (PFHA) is a rider and driver incentive program that rewards time spent riding or driving your registered Paso Fino horse. It is completely dependent on your honesty and accuracy in keeping a log of hours ridden or driven on the trail or in the ring, not competing. If you are only able to ride or drive for 15 minutes, log it. You will be amazed how the hours add up! Rules and qualifications for the program are:
1. Must be a PFHA member and maintain membership each year.
2. Horse(s) ridden or driven must be registered with the PFHA or a certificate of validation. You do not have to own the horse that you ride or drive.
3. One-time $25.00 enrollment fee.
4. Log hours ridden or driven on the PFHA official log form.
5. Hours logged have to be during a non-pointed event.
6. Mail completed log forms to the PFHA office. Mail in the forms every time an award level is reached. Please fill out the log forms completely or the hours will not be counted.
7. Logs for the previous PFHA year must be faxed or mailed (postmarked no later than September 5th) to PFHA every year for accounting purposes and to be considered for the Top Pasos for Pleasure Award. Members may only receive this award once.
8. Riders and drivers qualify for achievement patches and rewards by documenting their riding/driving hours towards the 50, 100, 250, 500, 750, 1000, 1250, 1575, 2500, 3500, and 5000 hour levels.
9. Each new Pasos for Pleasure member will receive a Pasos for Pleasure patch and a log form. Forms may also be downloaded from the PFHA website at www.pfha.org.

TICKET TO RIDE PROGRAM

The PFHA Ticket to Ride Program is a free program offered to all riders and drivers of registered Paso Fino Horses or horses holding a certificate of validation who like to participate in advertised organized trail rides or drives such as club, benefit, or special events (poker rides), drill team or all breed demonstrations, parades, and pointed trail rides or drives such as Pleasure Long Distance Trail, Competitive Trail, and Endurance Trail.

To participate in the program the rider or driver must be a current member of PFHA and the horses ridden must be registered Paso Fino Horses and horses holding a certificate of validation. At every organized advertised ride that a rider or driver participates in he/she should have the ride or drive manager or organizer initial the Ticket to Ride form. After five (5) initials the form is considered complete and equals one “ticket” which then needs to be submitted to PFHA postmarked or faxed no later than September 5th. Riders or drivers may submit any number of tickets. Tickets not completely filled out at the end of the year may be carried over to the following year. At PFHA Nationals every September tickets with the rider’s or driver’s name on it will be placed in a pot with other riders’ and drivers’ names and drawn for cash prizes and/or gift certificates. The more tickets in the pot with a rider’s or driver’s name, the better chance the rider or driver have of winning something. On the following page please see the Ticket to Ride Form with its directions and examples of appropriate activities listed. The form may also be accessed on the PFHA web site.

PFHA/AMERICAN ENDURANCE RIDE CONFERENCE (AERC)

About the award: The PFHA AERC Breed Award is an annual award presented by the PFHA. It recognizes the Recreational Rider with the most limited distance and/or distance miles, combined, in rides sanctioned by the American Endurance Ride Conference (AERC). The AERC "year" runs December 1 through November 30, therefore this award is based upon that time frame, not the calendar nor the PFHA year.

Who qualifies: Participants may compete on any number of Paso Fino horses as this is a rider, not a horse, award. The rider must be a member in good standing with the PFHA and AERC and all horses must be registered with PFHA and AERC at the time the miles are accrued.

How to participate: At the end of the AERC year, PFHA submits a list of all participating members to AERC. AERC compiles the number of miles for each PFHA rider appearing on the list and sends the results back to PFHA. The rider with the highest mileage confirmed by AERC is recognized by PFHA and awarded the PFHA AERC Breed Award. The rider needs do nothing to be considered for the award.

It’s FREE! There is no charge to participate in this award program and no paperwork to maintain or submit.

PFHA NATRC PROGRAM DESCRIPTION

About the award
The PFHA NATRC Award is an annual award presented by the PFHA. It recognizes the Paso Fino with the most competitive trail points in rides sanctioned by the North American Trail Ride Conference (NATRC). The NATRC “year” runs from the third week in November through the second week in November. Therefore, this award is based upon that time frame, not upon the calendar or upon the PFHA year.

Who qualifies?
The rider of the horse must be a PFHA and a NATRC member in good standing and the horse must registered in PFHA and in NATRC at the time the points for the award are accrued and at the time the names are submitted to PFHA for the award. NATRC requires either a copy of the horse’s PFHA papers or a PFHA registration number in order to submit the horse for the award.

How to participate?
PFHA members do not need to apply to participate. The top five (5) horses’ names will automatically be submitted by the NATRC to the PFHA at the end of the NATRC year. Five (5) names are sent in case the top name does not qualify based on PFHA criteria.

It’s FREE!
There is no charge to participate in this award program and no paperwork to maintain or submit.

CHAPTER SEVEN, EVENTS

I. Definition of Trail Rides.
For the purpose of this rule, a ride is defined as any scheduled, organized function involving the riding of a horse over a pre-determined trail or course and which takes place within a period of time not to exceed one twenty-four (24) hour period. So called multi-day rides may be counted, but on a daily basis, i.e. one (1) day equals one (1) ride.

II. Sanctioned Trail Rides

A. Approval.
In the Competitive Trail and Endurance Ride categories, the Association will acknowledge only rides conducted by organizations utilizing guidelines similar to those established by the North American Ride Conference and the American Endurance Ride Conference, which rides are pre-approved by the Association. All Competitive Trail and Endurance ride organizations must meet a minimum of the following criteria to be considered for approval by the Association as evidenced by each organization’s rulebook that is to be submitted with the request for approval:

1. The age of horses competing in rides less than forty (40)-miles will be no less than four (4) years old. The age of horses competing on rides of forty (40) or more will be no less than five (5) years old. This is to be actual birth date age, not the age the horse will be during the year effective each January 1.
2. All horses on the ride will be under the control of a veterinarian(s) experienced in the care of horses and in the sports of competitive trail and/or endurance.
3. There will be no less than three (3) vet-checks for metabolic and general condition. These are a pre-ride check, a mid-ride check and a post-ride check.
4. Scores and other official information pertaining to metabolic and condition will be written on a score or riders card by the veterinarian, ride Judge, trail Judge or their designees.
5. All Juniors (people aged sixteen (16) years and younger) are required to wear a safety helmet approved for use while riding horses.
6. All requests for approval must be written and submitted by a member in good standing with the Association. The request will contain, at minimum, the name of the requester, the membership number, the name of the organization requesting sanctioning, the type of ride(s) it offers, competitive trail or endurance or both and a copy of the organization’s rule book. The Association, as needed, may request other information.

Requests should be submitted to the Association, Attention: Trail Rides. Every request will be forwarded to the Recreational Rider Committee Chairperson who will then send it to the rest of the Recreational Rider Committee members for discussion and for their approval or rejection by majority vote. Approval or rejection notification will be communicated by the Recreational Rider Chairperson in writing to the person or persons submitting the request.
PFHA RULE BOOK

All requests for approval must come from a member in good standing with the Association and the information about the ride should include, at a minimum, the date of the ride, the name of the ride phone number and the length of the ride. The Association, as needed, may request other information. Requests may be made either by phone or by e-mail.

A. Points.
The Association shall award points toward annual high point trail horse for each point category as specified below for Competitive Trail, Endurance Rides, and Pleasure Long Distance Trail Rides. The Association shall award points toward a horse’s lifetime total for each point category as specified below for Competitive Trail, Endurance Rides and Pleasure Long Distance Trail Rides. Points from the pre-approved organizations’ rides shall qualify the horse and/or rider for Society of Merit awards.

B. Procedures.
Each member who seeks the awarding of points for a Trail Ride is required to:
1. Ensure that the organization sponsoring the event for which points are sought is approved by the Association.
2. Get the appropriate Association Trail Ride Point Application form filled out and acknowledged by the ride management of the organization.
3. Send the following to the Association, postmarked within twenty (20) days of the date of the ride:
   a. The original of the appropriately titled Association Trail Ride Application form
   b. For an endurance ride or a competitive trail ride, a copy of the ride management vet/ride book or score card.
   c. Any fees assessed by the Association.

III. Types of Rides and Points Awarded.
A. Competitive Trail Rides.
The Association shall award points for miles ridden, for final impression score and for placement (if placed) in veterinarian/lay Judge judging categories in a Competitive Trail Ride at the following rate:

   One (1) point shall be awarded for each five (5) mile increment completed of the competitive trail ride for rides of twenty five (25) through twenty nine (29) miles; two (2) points for each five (5) mile increment for rides of thirty (30) miles up to an including forty (49) miles; three (3) points for each five (5) mile increment for rides of fifty (50) miles up to an including seventy four (74) miles; four (4) points for each five (5) mile increment for rides of seventy five (75) miles up to and including ninety nine (99) miles; and five (5) points for each five (5) mile increment for rides of one hundred (100) miles. For example: A horse that completes a seventy five (75) mile ride will be awarded sixty (60) points for mileage.

The Association also shall award points for placement in the following categories established by the competitive trail ride management, as shown below:

1. Placement from Veterinarian Judge. Points for first (1st) through sixth (6th) placements are:

   In addition to points already awarded to Competitive Trail Rides for mileage, placement (if placed) from veterinary Judge and (if placed) from trail/lay/Judge(s), points also shall be awarded for the average of the final overall impression scores from the veterinary and trail/lay Judge(s) as follows:
PFHA RULE BOOK

CHAPTER SEVEN EVENTS (Continued)

- Ninety eight (98) to one hundred (100): eighteen (18) points,
- Ninety five (95) to ninety seven (97): sixteen (16) points,
- Ninety two (92) to ninety four (94): fourteen (14) points,
- Eighty nine (89) to ninety one (91): twelve (12) points,
- Eighty six (86) to eighty eight (88): ten (10) points,
- Eighty three (83) to eighty five (85): eight (8) points,
- Eighty (80) to eighty two (82): six (6) points,
- Seventy seven (77) to seventy nine (79): four (4) points and
- Seventy four (74) to seventy six (76): two (2) points.

If the average of the scores comes out to 96.5, for example, the points shall be rounded up to the next highest number, in this case, 97. If the ride does not have a trail/lay component, then the overall score from the veterinarian will be used. If a ride uses a score other than 100 (such as 200, 300, 400, etc.) then the final score will be divided by two, three, four, etc., to obtain a number between zero and 100. For example: Ride A uses 200 as its top score. Applicant Paso Fino scores 160. Divide 160 by two, which equals 80, which equals six PFHA points. Ride B uses 400 as the top score. Applicant Paso Fino scores 380. Divide 380 by four, which equals 95 or 16 PFHA points.

If the score comes to 95.5, for example, the score will be rounded up to 96. If the score comes to 95.4, it will be rounded down to 94.

B. Endurance Rides.
The Association shall award points for miles ridden and completed with a fit horse with an ‘official completion’ recorded by a veterinarian on Vet Ride Book/Card, and placement for Time Finished, for Best Condition and Post-Ride Vet Check Overall Impression Score at the following rate:

One (1) point shall be awarded for each five (5) mile increment completed on the endurance ride with a fit horse earning a completion recorded as such on the veterinarian ride book or card for a ride of twenty five (25) through twenty nine (29) miles; two (2) points for each five (5) mile increment for rides of thirty (30) miles up to and including forty nine (49) miles; three (3) points for each five (5) mile increment for rides of fifty (50) miles up to and including seventy four (74) miles; four (4) points for each five (5) mile increment for rides of seventy five (75) miles up to and including ninety nine (99) miles; and five (5) points for each five (5) mile increment for rides of one hundred (100) miles.

The Paso Fino Sport Horse Program showcases some of the Paso Fino breed's best ambassadors, and as a promotional tool, it can't be beat. Most new Paso Fino owners discover the breed through friends and seeing Paso Finos compete at open events.

The Paso Fino Sport Horse (PFSH) rewards both Riders and Horses that excel in all-breed competitions outside of the traditional Paso Fino horse community. As a participant in PFSH, you and your horse will accumulate points based on how you place in competitions and be rewarded for all of your achievements and hard work.

The horse must be registered with the Paso Fino Horse Association (PFHA) and Owner and Rider must be current members of PFHA for points to count.

An application form must be submitted each year prior to competing. A yearly fee of $25 per horse must accompany the application. The show year will be the same as the PFHA show year September 1 – August 31.

A Sport Horse Entry Form must be filled out for each event and be postmarked to the PFHA office within 20 days of the competition. A copy of the prize list or program from each Sanctioned or Non-Sanctioned show entered must be submitted with your PFSH entry. To ensure a level playing field for all participants, a show prize list should include: rules and class specifications, dates, times, names of judges/officials and show secretary name and contact information, fees (entry fees, late fees, stall fees, etc.) and prizes. Please attach each prize list to the entry sheet for that show.

Shows may be Sanctioned or Non-Sanctioned (4-H and schooling shows are eligible), but shows and classes must be open to all breeds or all gaited breeds. Shows open only to or adjudicated by facility owners, family members, employees, boarders, or owners of horses in training at a single facility are not eligible for points.

Point Award System:
All classes, except fun classes, shall have points awarded to the entries placing first through sixth in regular classes and first through fourth in Championship classes. Points shall be doubled at Sanctioned shows.

Non-Sanctioned Points
1st- 6 points, 2nd-5 points, 3rd-4 points, 4th-3 points, 5th-2 points and 6th- 1 point.
